## YOUR SCHEDULED MAINTENANCE PLAN

Please indicate mileage range or how frequent you service these items for scheduled maintenance.

This is not *what* you did for the last 120 days, but *when* you plan to service these items. \*All items must be filled in.

Lubrication		Oil & Filter		Fluid Changes	
SCR/ DPF Filter <i>If you live in CA or take freight to CA, MUST indicate a service plan**(If not applicable use N/A)</i>					
Air Filter (if change or clean it indicate frequency or mileage)					
Overhead Engine Adjustment <i>Indicate frequency or mileage or NA</i>					
Under Carriage/ Engine Wash					
Check or indicate when you plan to replace your tires-- not the current tread depth (indicate other in space provided)					
Steer Tire Replacement	4/32 - 8/32		9/32 - 12/32		
Drive Tire Replacement	2/32 - 6/32		7/32 - 11/32		
Trailer Tire Replacement	2/32 - 6/32		7/32 - 11/32		

## YOUR CURRENT MAINTENANCE RECORDS FOR THE LAST 120 DAYS

Date	Odometer - **Must Indicate Reading	Roadside Repair	TRK	TRL	Describe or List Maintenance or Repairs **If "None" is stated, * Must state reason "In Shop", "Not Moving", "Sold"

I certify that this is a true and complete record of maintenance including the preventative maintenance schedule for the unit(s) described above.
